Summary

Prof. Lalit Bhanwrela (Incharge of Mitsubishi Factory Automation Lab at EEE Dept. SVITS) was the moderator of the event and he welcomed the guest speaker Mr. Ajay Shreewastva , Assistant Manager, FAID , MEI Indore along with Prof. Jitendra Managre EEE Dept. After this Prof. Lalit Bhanwrela gave a brief introduction of the Mitsubishi Factory Automation Lab to the audience. The FDP was conducted in the FA Lab and specifically for participation of faculty members from different departments of SVITS. As per the registration we had planned only 1 session in such a way that FDP started at 2:00PM and a total of 17 faculty members attended the

session and participated in the session. Mr. Ajay Shreewastva, as the guest speaker, started the sessions with the technical configuration of Mitsubishi PLC products and their applications. He also described the different modules of FA learning setup in terms of Input Modules, hardware configuration and software requirements. After the session students asked various questions in the Q&A part and all the questions were technically handled by the speaker.

Glimpses of FDP

Offline Session
