MAJOR PROJECT

A college major project, also known as a capstone project, is a culminating academic experience that demonstrates a student's mastery of their field of study. It's a comprehensive project that showcases their knowledge, skills, and critical thinking abilities.

Objectives of a college major project:

1. Apply theoretical concepts to real-world problems
2. Demonstrate expertise in the chosen field
3. Develop problem-solving and critical thinking skills
4. Showcase research and analytical abilities
5. Exhibit creativity and innovation
6. Enhance communication and presentation skills
7. Prepare students for professional practice or graduate studies

RESEARCH PAPER

A research paper is a detailed and systematic written work that presents research findings and analysis on a specific topic or problem. It is a comprehensive and structured document that aims to:

- 1. Investigate a research question or hypothesis**
- 2. Collect and analyze data**
- 3. Interpret results**
- 4. Draw conclusions**
- 5. Recommend future actions or studies**

Key characteristics of a research paper:

1. Originality: Presents new research or insights
2. Objectivity: Based on factual data and unbiased analysis
3. Systematic approach: Follows a logical and structured methodology
4. Clarity: Written in a clear and concise language
5. Organization: Typically includes introduction, literature review, methodology, results, discussion, and conclusion sections
6. Support: Includes evidence and references to credible sources
7. Contribution: Contributes to the existing body of knowledge in the field
