Architectural rendition of the SVVV Campus

VISION

To create an educational environment that engages deep intellectual, moral and spiritual stimulation, thereby nurturing leadership.

MISSION

To pioneer a '**mentoring**' based educational system with an intellectual, moral and spiritual culture of its own, rooted in Indian ethos and in tune with global vision of the times. To inculcate learning through understanding, knowledge enhancement, skill development and positive attitude formation.
To encourage innovative thinking with self discipline and social responsibility.

VALUES

Endurance, Excellence, Fairness,
Honesty and Transparency

QUALITY POLICY

We, at Shri Vaishnav Vidyapeeth Vishwavidyalaya, are committed to impart quality education by meeting stakeholder requirement and norms of regulatory authorities. We strive to continuously enhance the quality of our academic and research offerings and effectiveness of teaching learning process

About

INDORE

"Indore as a Thriving Nexus of Education and Intellectual Growth"

Indore has steadily established itself as a major education hub in Central India, not only because of its academic institutions but also due to its rapidly expanding industrial and technological landscape. The presence of premier institutes such as Indian Institute of Management Indore and Indian Institute of Technology Indore has positioned the city as a center of excellence in higher education. However, what truly sets Indore apart is its strong connection between education and industry. The development of IT parks and Special Economic Zones like Crystal IT Park and Super Corridor has attracted major companies such as Tata Consultancy Services, Infosys, and Wipro. This industrial growth has created a dynamic ecosystem where students gain access to internships, live projects, and employment opportunities within the city itself.

Additionally, Indore's rise as a startup and innovation hub has further strengthened its appeal. Incubation centers, entrepreneurship cells, and government-supported initiatives are encouraging young minds to engage in research, innovation, and business development. This environment attracts students not only from nearby towns but also from distant states who seek quality education combined with practical exposure. The relatively low cost of living, well-developed infrastructure, and safe urban environment further enhance its attractiveness. Indore is no longer just an educational center but a vibrant academic-industrial ecosystem that continues to draw students from across the country.

Message from the desk of
CHANCELLOR

Established with a vision to nurture excellence in education, Shri Vaishnav Vidyapeeth Vishwavidyalaya stands as a beacon of knowledge, values, and innovation rooted in the rich cultural and ethical legacy of the Shri Vaishnav trust and tradition.

At Shri Vaishnav Vidyapeeth Vishwavidyalaya, we are committed to fostering holistic development by integrating academic rigor with moral values, leadership skills, and a spirit of social responsibility. Our aim is not only to impart knowledge but also to shape individuals who are intellectually competent, ethically grounded, and socially sensitive.

In an era of rapid global transformation, the University continuously strives to adapt and innovate, encouraging interdisciplinary learning, research, and skill development. We believe in empowering our students to face global challenges with confidence while remaining connected to our cultural ethos.

Every experience on our campus is a stepping stone towards a future where our students not only achieve professional excellence but also make meaningful contributions to their communities and the world at large. We are empowering a generation that combines resilience, innovation, and a strong sense of responsibility to build a future filled with promise and opportunity.

Let us continue our journey towards creating a better future through education, innovation, and values.

Purushottamdas Pasari
Chancellor

Message from the desk of
VICE CHANCELLOR

It is a matter of great pride to witness the continuous progress of Shri Vaishnav Vidyapeeth Vishwavidyalaya in creating a dynamic and future-ready academic environment. The University remains committed to strengthening its academic ecosystem through meaningful collaborations, advanced infrastructure, and holistic student development initiatives.

Our institution has actively established numerous Memoranda of Understanding (MoUs) with reputed academic institutions, industries, and organizations. These collaborations open new avenues for knowledge exchange, research opportunities, internships, and global exposure, ensuring that our students are well-prepared to meet the evolving demands of the professional world.

Equally significant is our focus on developing state-of-the-art infrastructure and modern facilities that support innovative teaching, learning, and research practices. A well-equipped campus, enriched with advanced laboratories, libraries, and digital resources, provides an enabling environment for academic excellence.

At the heart of our university lies a vibrant student community. Through a wide range of clubs and forums, we actively encourage students to explore and enhance their talents beyond the classroom. These platforms play a crucial role in nurturing creativity, leadership, teamwork, and communication skills, thereby contributing to the overall personality development of our students.

We firmly believe that education extends beyond textbooks, and it is through such initiatives that we empower our students to become confident, competent, and responsible global citizens. Let us continue to work together in fostering excellence, innovation, and growth.

Prof. (Dr.) Yogesh C. Goswami
Vice Chancellor

About

SHRI VAISHNAV TRUST

"A Legacy of Service. A Commitment to Society"

Shri Vaishnav Trusts traces its roots to 1884 and was founded by the Vaishnav community of Indore with a vision of social service and nation-building. In 1934, the trust was reconstituted as Shri Vaishnav Sahayak Kapda Market Committee. The organization works for the upliftment of society through education, healthcare, and community welfare initiatives. Guided by the principle of service rather than profit, it promotes quality education and research across various disciplines. In 1981, Shri Vaishnav Shikshanik Avam Parmarthik Nyas was established to further strengthen these efforts. Today, the trust manages numerous schools, colleges, and professional institutions dedicated to academic excellence and social development.

CENTRE OF EXCELLENCE IN PLASMA RESEARCH

The Centre was established with the vision of developing world-class research and innovation in plasma science and technology. The Centre was inaugurated on 10th August 2016 by Padma Vibhushan Dr. Anil Kakodkar, former Chairman of the Atomic Energy Commission of India, marking a significant milestone in the University's commitment to advanced scientific research.

Since its inception, the Centre has successfully secured research funding exceeding ₹1.50 Crore from prestigious agencies including the Board of Research in Nuclear Sciences (BRNS), and BRFST Department of Atomic Energy (DAE), Government of India. The Centre is Coordinated by Dr. Uttam Sharma

OBJECTIVES

- World class experimental, theoretical, and computational research in plasma processing of materials especially for catering the needs of Nuclear Fusion Research and Indian Industries.
- The Centre of Excellence envisages thorough R&D in plasma processing of materials by setting up laboratory experiments for proof of principles.
- The Centre of Excellence envisages to work closely with Indian Industry through transfer of technology developed in the previous R & D works.
- The Centre of Excellence envisages to develop state of art plasma diagnostics required for characterising the plasma produced for material coatings.
- Trained manpower generation for plasma research in India.

AREAS OF RESEARCH

- Basic Plasma Physics
- Coating Technology
- Nuclear Fusion Research
- Design and Development of Plasma Sources
- Development of Plasma Diagnostics
- Development of software codes
- Plasma Application (Agriculture, Textile, Nitriding, Plasma – Biomedical and Health, Coal)

FACILITIES

- Administrative Support
- Transporation
- Telecommunication/ Internet
- Water connections with standard safety norms
- Library Facilities
- State-of-the Art Mechanical Workshop
- Computational Facilities
- Air conditioned Laboratory space with proper electricity and power backup

CENTRE OF EXCELLENCE IN HAPPINESS STUDIES

The term 'Happiness Index' was first coined in 1979 by the king of Bhutan, Jigme Singye Wangchuck, who said during an interview at Bombay airport: "We do not believe in Gross National Product. Gross National Happiness is more important."
The university established the center of excellence in happiness studies on 15th March 2018 with the following objectives.

OBJECTIVES

- To facilitate research in innate happiness of human beings and the society they live in and further understand the benefits of happiness.
- To continuously explore the factors that lead to happiness and wellbeing among different stacks of society.
- To partner with organizations, firms, government establishments etc. to help them discover the route to happiness for their members through research and consultancy assignments.
- To promote happiness among the SVVV fraternity through various activities like awareness sessions, seminars, webinars, discourses and other events to elevate stress and contribute towards happiness of the members

ACTIVITIES DONE BY HAPPINESS CLUB

National Conference on Happiness:

Anand Amrit National Conference on Happiness- Anand Amrit is flagship annual event hosted by the Centre of Excellence in Happiness Studies on various themes including mindfulness, spiritual approaches, mental health strategies and sustainable happiness frameworks etc .

Ulhas - A Celebration of Joy and Talent:

"ULHAS"—a vibrant cultural celebration that brings forth the hidden talents of our esteemed faculty and staff as they take the stage to spread joy and inspire smiles. This event fosters a spirit of unity and showcases happiness through creativity, performance and shared sense of community.

Sur-Anand

Music carries a gentle power to soothe the mind, easing stress and lifting the spirit withIts rhythms and melody.SUR-ANAND is an Antakshari competition between the teams of constituent institute of SVVV.

Khel Anand

"Khel Anand" is a joyful initiative aimed at fostering camaraderie and cheer among employees through engaging and light-hearted games. It offers are freshing break from routine, encourages team spirit, and celebrates the essence of workplace well- being through, fun, laughter, and shared moments of happiness.

CENTRE OF EXCELLENCE IN VOCATIONAL STUDIES

The Centre of Vocational Studies within the Institute provides vocational training to progressive farmers and unemployed educated youth. An emphasis in vocational education is on the development of attitudes, knowledge, and skills for entrepreneurship and self-employment. With the development of science and technology, vocational education has gained significant momentum, helping solve the problem of educated unemployment.

CENTRE OF EXCELLENCE IN SUSTAINABLE DEVELOPMENT

Coordinated by the Centre to raise mass awareness about the hazards of plastics and to encourage people to carry and use possible eco-friendly alternatives such as steel glasses, spoons and bottles.
We collaborated with ISHA FOUNDATION to sensitize students towards the need for soil conservation for SDG 15: Life on Land. Every year, the Centre in association with Jimmy and Janak McGilligan Foundation for Sustainable Development celebrates Jimmy Memorial Week for Sustainable Development so that the youth can understand the importance of solar energy..

The Centre celebrates prominent days such as World Environment Day, International Day of Forests, Earth Day, and Ozone Day and encourages students to participate in different activities organized at State and National Level. Many of our students participated and won in National Level and State Level Competitions organized by government and other private organizations pertaining to environment and sustainability.

To spread spirit of compassion towards nature, to live in harmony with nature, and to impart a message of simplicity the Centre organizes Sunderlal Bahuguna Memorial Oration by Padma Aardees every year.

Padma Bhushan Dr Anil Prakash Joshi; Padma Shri Shyam Sunder Paliwal; Padma Shri Mahesh Sharma, Dr. Rajendra Singh, the waterman of India; Padma Shri Himmat Ram Bhambhu, Nature Activist and Wildlife Conservationist delivered the oration in last few years.

In last six to seven years, more than 47 different activities were conducted that witnessed the participation of more than 3471 students. More than 36 guests have graced the events at different occasions.

To teach, to preach, to practice to live in harmony with nature is not a one day or one year exercise.
Continuity, Consistency, Consciousness, Civic Sense and Collective actions are principal components of sustainable life. We hope to continue the journey with more actions, more zeal in the coming years

CENTRE OF EXCELLENCE IN SIMULATION & GAMING

Gamification is the application of game-design elements and principles in non-game contexts. A large body of research focuses on the interplay of self-awareness, causal attribution, and action. Researchers have focused on how individuals perceive their involvement in the cause of events leading to either success or failure. Experiments have shown that when people are induced to be more self-aware, they are likely to attribute the success to themselves. The researchers have also reported that gamified events were very effective at engaging Gen Z and that team-based gamification events were particularly engaging.

The University has established the Centre of Excellence in Simulation and Gaming to promote Simulation and Gamification as pedagogy and undertake research in this upcoming multidisciplinary area of interest. The Centre is coordinating with ISAGA and other such professional bodies for global networking.

University organizes a webinar series on Gaming and Simulations "PRATITI…becoming aware" International Webinar Series under ISAGA

The key speakers in this webinar series were ISAGA members and other GS professionals.

The webinar series was started on October 03, 2020

Total 68 Webinars have been conducted under this series till February 2026.

CENTRE OF WOMEN'S STUDIES

Shri Vaishnav Vidyapeeth Vishwavidyalaya (SVVV), Indore, focuses on holistic development by integrating academic rigor with ethical values and social responsibility. A key strength of the University is its proactive initiatives toward inclusivity and empowerment of women through the Centre for Women's Studies (CWS). The Centre plays a vital role in promoting gender equality, creating awareness, and addressing women-centric issues through teaching, research, and outreach activities. The center also emphasizes community engagement through awareness drives, seminars, and rural outreach programs. By fostering critical thinking, teamwork, and problem-solving skills,

CWS prepares students to become socially responsible individuals capable of contributing effectively to society.

SAKHI (Training Program):

Focuses on financial literacy and capacity building through training on investment planning and stock market awareness. Promotes economic independence, financial inclusion, and self-efficacy among women. Covers diverse groups (e.g., women auto drivers), ensuring social inclusion and community outreach.Integrates health awareness and sustainable livelihood development initiatives. Contributes to women empowerment and gender equality through skill enhancement.

TEJASVINI (National Colloquium):

Provides a platform for discussing gender equality, inclusivity, and leadership development. Addresses challenges faced by women in governance and policing using participatory governance approach. Encourages gender main streaming and policy advocacy through academic dialogue. Promotes social justice and institutional awareness regarding women's roles. Enhances capacity building and knowledge sharing among stakeholders.

SHAKTI (Student Engagement Event):

Organizes competitions promoting experiential learning and participative engagement. Encourages creative thinking, critical analysis, and communication skills. Builds awareness using behavioral change communication (BCC) techniques.Strengthens teamwork, collaboration, and leadership skills among students. Enhances youth sensitization and gender awareness in the academic environment.

CENTRE OF EXCELLENCE IN DATA SCIENCE

Data Science is an interdisciplinary field consisting of methods and systems to extract valuable information and insights from data. Data science combines multiple fields, including statistics, scientific methods, Artificial Intelligence, business analytics and data analytics to name a few. India has demonstrated rapid and sustained economic growth over the last decade and recent developments suggest that a focus on data science is need of the hour.

The University has established the Centre of Excellence in Data Science in March 2022 to enable development of innovative applications and research in the field of Data Science and to build capacity and ensure that the aspiring students have opportunity for best preparation and training in data science for achieving their career ambitions and life goals.

CENTRE OF EXCELLENCE IN CLOUD COMPUTING

The Centre of Excellence in Cloud Computing (COE-CC) was established in February 2025 at Shri Vaishnav Institute of Information Technology, Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore, with the vision of promoting excellence in Cloud Computing education, research, innovation and industry collaboration.

Since its establishment, Centre had organised several industry-oriented workshops to enhance awareness and technical expertise in cloud technologies. On 2nd September 2025, an expert webinar titled " A Glimpse of Geospatial Technologies Using Platform for Future Generations." was organized in which the speaker Dr, Tutu Sengupta, Associate Scientist, Maharastra Remote Sensing Application Centre (MRSAC), Nagpur, highlighted the integration of Cloud Computing with Geospatial Technologies and demonstrated their application in enviornment monitoring, urban planning, climate change, agriculture and sustainable development.

To strengthen student's practical knowledge of cloud platforms, the Centre organized a workshop on "AWS Cloud Core Services" on 17th February 2026. The workshop speaker Mr. Anand Mehta, AWS Certified Practioner, introduced participants to the Amazon Web Services (AWS) ecosystem, architecture and core AWS services.

Further promoting innovation in emerging technologies, the Centre, in association with the AWS Student Builder Group organized an online seminar titled " Empowering Innovation with Cloud Computing and Generative AI" on 06th May 2026. The speaker Dr. G. Senthil Kumar, Professor at SRM University discussed recent advancement in Cloud Computing and Generative Artificial Intelligence (GenAI) and AWS certification.

To strengthen industry-oriented education and skill development, the Centre of Excellence in Cloud Computing collaborated with AWS Academy, a global education programme developed by Amazon Web Service (AWS) through which student's received free access to AWS academy courses, digital learning resources, hands-on cloud laboratories, and certification preparation materials, that help them to build globally recognized cloud competencies and improve their employability in rapidly evolving digital world.

CENTRE OF EXCELLENCE IN MACHINE LEARNING

Centre of Excellence in Machine Learning has been established on 28th Feb 2025, is a dedicated hub within Shri Vaishnav Institute of Information Technology that focuses on advancing research, innovation, and applications in machine learning. It serves as a bridge between academia, industry, and research communities to develop cutting-edge AI and ML solutions.

The Centre of Excellence in Machine Learning organized a one-day workshop on Artificial Intelligence (AI) and Generative AI in association with Samatirx.io, Gurgaon, to create awareness about the industrial applications of AI and Generative AI and their use in solving real-world problems. The workshop featured Mr. Vishal Jain (Enterprise IT Architect) and Mr. Sunny Pathak (Business Consultant and Data Analytics Expert) as the speakers, who shared valuable insights into the practical implementation of AI and Generative AI across various domains.

The Centre of Excellence in Machine Learning organized a one-day Hands-on Workshop on Python on 21st February 2026 in association with Universal Informatics, Indore, to help participants understand Python programming, develop applications, and solve real-world problems. Mr. Vilekh Adawadkar, Senior Technical Trainer and Developer, who provided detailed insights into the application of Python in Data Science, Machine Learning, Deep Learning, and Artificial Intelligence (AI). He also demonstrated how to build and implement Machine Learning models using Python through practical examples.
