***Teacher Assessment** shall be based on following components: Quiz/Assignment/ Project/Participation in class
 (Given that no component shall exceed 10 Marks)

Course Educational Objectives:

1. This course aims to provide students with a foundational understanding of the various facets of Competition Law, with a particular emphasis on its practical application by the Competition Commission of India (CCI).
2. It also provides a framework that can be beneficial for understanding related areas such as combinations and Intellectual Property Rights (IPR).
3. The course will cover the enforcement mechanisms of these legal provisions, offering a clear understanding of which authorities are responsible for enforcing the different areas of competition law and what investigative and sanctioning powers they possess.

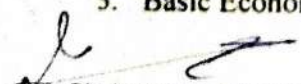

Course Outcomes:

1. Understands the key principles and sources of the Competition Act, 2002, and relevant amendments.
2. Develops the ability to apply competition law principles to specific legal scenarios, identifying potential breaches and suggesting legal remedies.
3. Gains clarity on the conflicts between IPR and competition laws, investment issues under competition law, and the modern dimensions of competition law
4. To enable the students to take up professional practice in competition law and policy in India and abroad.

Course Content:

UNIT-I: Introduction to Competition Law

1. Meaning, Constitutional provisions regulating Trade & Competition.
2. Nature & Scope of competition law and policy.
3. Development of Competition law- Competition Act vis-à-vis MRTP Act, Monopolistic trade practices, Restrictive trade practices.
4. Sachar Committee Report, High Powered Committee on MRTP Act & Companies Act, Raghavan Committee Report, Report of the Monopolies Inquiries Commission (Dr. Hazari Report).
5. Basic Economic and Legal Principles, Restraint of Trade under Indian Contract Act.
