HANDBOOK OF GUIDELINES
FOR STUDENTS 2020-21

From the Desk of **CHANCELLOR**

Shri Vaishnav Vidyapeeth Vishwavidyalaya is a private university governed by 137 years old. Shri Vaishnav Trust, Indore. We believe in continuous progress of nation by improving quality of life through education, health and environment.

We, here at SVVV provide an environment to promote quality education through interactive teaching-learning process beyond the classroom teaching. We not only aim in developing technocrats, managers, scientists, researchers, professionals but good human beings imbued with ethics, values and culture. Our students reveal all these attributes through their behavior and actions. We also expect them to focus themselves to play a crucial role in a dynamic and challenging fast changing professional world to become life long learners.

Wish you many learning opportunities at SVVV to set bench mark in fulfilling the career you dreamt-of.

Shri Purushottamdas Pasari
Chancellor

From the Desk of **VICE CHANCELLOR**

Creative thinking leads to innovations and we at SVVV shape students to utilize their potentials for showcasing their talent, keeping in view opportunities and challenges of professional world. SVVV has state of art infrastructure to facilitate curricular, co-curricular and extra-curricular activities. SVVV believes in partnership with government and industry. The MoUs with various institutions, such as IBM, TCS, redhat, Apple, CISCO, Impetus and NRDC have been signed to fill the gaps in academia - industry interface. The MoUs with St. Cloud State University, Minnesota (US) and Hanyang University, Seoul (South Korea) are aimed to give global exposure to the students. SVVV provides a platform to face challenges in life. We are equipped to make untiring efforts for the benefit of our students to be adaptive and versatile.

I am delighted to receive the fourth batch of our students and wish everyone all the best for a bright future. It is said that if you can't excel with your talent, triumph with your efforts.

Dr. Upinder Dhar
Vice Chancellor

- 3.4. The grade sheet at the end of each Semester Examination for students shall also show the CGPA till end of that semester. The final examination grade sheet at the end of final semester examination of the program shall also indicate CGPA, equivalent percentage marks and the division awarded.

4. Condonation of Deficiency

- 4.1. Deficiency up to three marks can be condoned to the best of the advantage of the student for passing the examination. The deficiency can be condoned in not more than one course (theory and practical of the same course shall be considered as two separate courses, for the purpose of awarding grace marks).
- 4.2. One grace mark shall be given to the candidate who is failing/missing distinction/missing first division by one mark, on behalf of the ViChancellor in the End Semester University Examination of last semester of the program. This benefit will not, however, be available to a candidate getting advantage under clause 4.1.

5. Promotion to Higher Semester/ Year and Award of Degree

A student who has been admitted in any program will be promoted to the higher class in accordance with the following rules:

- 5.1. To pass a particular theory course of the program, the minimum required grade is C. In this case the student is said to earn the credits assigned for that course. However, the student should also separately score minimum of grade C in Internal Assessment as well as in End Semester University Examinations.
- 5.2. To pass a particular studio course of the program, the minimum required grade is C. However, the student should also separately score minimum of grade C in Internal Assessment as well as in End Semester University Examinations. For practical examinations one external examiner from outside the University shall be appointed for each course
- 5.3. The maximum number of attempts to pass a particular course is three (1+2).
- 5.4. A student who has appeared in the examination of odd semester of a particular year will automatically be promoted to even semester of that year irrespective of failing in any number of courses of previous semester. However, the student shall be allowed to appear as an Ex-student in the Internal and End Semester University Examination of those courses in which he had failed.
- 5.5. A student who fails to earn 60% of the total credits of a particular year assigned to him in the scheme of the program shall not be admitted to the next higher year. However, the student shall be allowed to appear as an Ex-student in the Internal and End Semester University Examination of those courses in which he had not passed.
- 5.6. Further, a student shall not be admitted in the fifth or higher semester classes unless he/she has fully earned the credits of the first year examination with minimum 6.0 CGPA. Likewise, a student shall not be admitted in seventh or higher semester classes unless he/she has fully earned the credits of first and second year examinations with minimum 6.0 CGPA. If the student fails to earn 6.0 CGPA then he/she has to appear in improvement examinations in maximum three courses.

- 5.7. The students who are not able to get promotion to next higher year may appear in the special examination conducted by the university in the month of September every year. However, such students shall be required to seek admission provisionally to attend the classes of higher year with an undertaking that if they fail to pass in September Examination, then they shall not be permitted to continue in the next higher year. A student shall be allowed to appear in maximum two Theory Courses only in special examination.
- 5.8. For the award of degree of a particular program the student has to earn the total number of credits assigned in the Scheme of study recommended by the concerned Board of Studies and approved by the Academic Council with minimum 6.0 CGPA.
- 5.9. In case of Dual degree program, if the student opts for exit from the program after the fulfillment of the first degree program then the student shall be awarded first Degree only.

6. Award of Division

- 6.1. Division shall be awarded only after the final semester examination based on integrated performance of the candidate for all the semesters as per following details

\$ (1" 4 D P S	%W J T J P O
\$ (1"	' J S T W J T J P O X J U I % J T U J O D U J P O
\$ ("1	' J S T W J T J P O
\$ (1	* * W J T J P O

- 6.2 The conversion from grade to an equivalent percentage in a given academic program shall be according to the following formula applicable.

$$\text{Percentage marks scored} = \frac{(\text{CGPA Obtained} \times 100)}{10}$$

7. Duration of Program

- 7.1 There shall be at least fourteen weeks of teaching in every semester.
- 7.2 One hour of conduct in Lecture (L) / Tutorial (T) and Two hour Practical (P) per week shall be equal to one credit as allotted in the respective schemes.
- 7.3 A candidate may provisionally continue to attend next semester, even if, the result of qualifying year / semester has not been declared. However, subsequently if he/she is not able to clear qualifying semester examination, the candidate cannot claim as a right of candidature of next semester on the basis of his/her provisional admission.
