ABOUT UNIVERSITY

Shri Vaishnav Vidyapeeth Vishwavidyalaya (SVVV) is a private university in the city of Indore established in 2015. The university offers several under-graduate and post-graduate programs in Engineering, Architecture, Management, Science and Social Science streams. The university is well known in the state of Madhya Pradesh for its quality programs, research and placements in all the disciplines. The university is in the process of expanding the areas of research and education to include Agricultural Science, Law, Commerce and Foreign Languages. Programs in health science management are in the planning stage.

ABOUT INSTITUTE

Shri Vaishnav Institute of Forensic Science (SVIFS) was established as a premiere institute in 2016 with a scientific approach through a team of highly qualified academicians in order to promote excellence in the field of forensic science. The Institute aims at providing practical knowledge along with the theoretical aspects in this field. Hence frequent visits to police stations and Forensic Science Laboratories are planned as a part of curriculum. The institute organizes various activities such as model making, posters, moot court and trial competitions, Forensic Exhibition, Guest Lectures, Conference etc., in order to inculcate the overall development of the student in this field. The Institute has an approach to evolve strong research programs in a plenty of areas where practical knowledge of forensic science shall accelerate various practices in civil as well as criminal justice system.
