Shri Vaishnav Institute of Law and Shri Vaishnav Institute of Forensic Science are two distinguished institutions under the umbrella of the renowned Shri Vaishnav Vidyapeeth Trust, supported by its parental body, Shri Vaishnav Shaikshanic & Parmarthik Nyas. These trusts have earned a stellar reputation for their extensive contributions to education, healthcare, and public welfare in Indore and beyond.

Driven by a vision to empower students through quality education, Shri Vaishnav Institute of Law was established to meet the evolving demands of the legal profession. As global changes reshape economic, political, and social landscapes, legal education must rise to address emerging challenges. Law today is no longer confined to courtrooms—it is a dynamic and lucrative career path offering immense opportunities across sectors. The institute is committed to nurturing future-ready legal professionals through a robust curriculum, expert guidance, and holistic grooming in a stimulating academic environment.

In parallel, Shri Vaishnav Institute of Forensic Science (SVIFS) was founded in 2016 as a premier center for scientific learning and innovation in forensic studies. With a team of highly qualified academicians and a strong practical focus, SVIFS offers an immersive experience through field visits to police stations and forensic laboratories, as well as hands-on activities such as model making, exhibitions, moot courts, and expert-led sessions. The institute emphasizes the integration of research and real-world application, aiming to strengthen practices within civil and criminal justice systems.
