## **FROM THE DESK OF CHANCELLOR**

*“To emerge as a winner, learn to balance relaxation and action”*

Shri Vaishnav Vidyapeeth Vishwavidyalaya was conceived as an institution of higher learning for imparting quality education to the young and experienced learners alike. Our alumni, most of whom have studied in the erstwhile SVITS, are an asset who give us strength to move forward with confidence and sense of achievement.

Life at the university is a stimulating experience that results in the total development of the personality of students. The alumni of SVVV who are spread across the world, holding positions of eminence, have significant role in shaping the future of the students enrolled in the university.

## FROM THE DESK OF VICE CHANCELLOR

*“If you can identify the spring in failure, you can bounce back with success”*

We take great pride in having our alumni base as a strength. The achievements of the alumni reinforce our belief that we are on the right track to contribute to the society. It gives us lot of satisfaction that those who have passed out from erstwhile SVITS and SVVV are doing well in life. The objective of the university gets fulfilled when we are able to bring about positive change in the lives of our students. *Confluence* is the occasion to re-live memorable moments and we at SVVV are eager to see you soon on the virtual platform.

## FROM THE DESK OF CONVENER

*“You are never too old to set another goal or to dream a new dream”.*

An 'alumnus' is 'the nurtured,' one who was loved, cherished and held in high regard and affection. This term 'alumnus' is therefore exactly descriptive of our feeling for our old students. Every student who passes through SVITS/SVVV will surely realize his / her dreams and make a positive impact on the community in particular and the world in general.

An alumnus is also an asset to his institution in the sense that he/she gives something back to enrich the institution in terms of experiences shared or expertise volunteered, he or she also is an ambassador of the SVITS/SVVV who disseminates the values and ideals stands for and propagates these values over generations by being a model to the young.

SVVV believes in Lifelong learning and promotes many qualities such as sharing and caring, constant and periodic communication. We will be privileged to know the progress of all the students after leaving. Confluence will be a great platform to share ideas as well as learn about the progress made by alumni.

Connecting to one's alma mater is always a great feeling and we share this sentiment and is elated when it gets to know about the various achievements of its former students after leaving.
